

Decatur Fire Department

1705 S State St

Decatur TX, 76234

(940) 627-3199

To Whom It May Concern:

Thank you for your interest in the Decatur Fire Department. We understand that you are inquiring about membership opportunities within our department. We are a very progressive constantly changing and adapting fire department that covers a large response area out of one central fire station. Our Central Fire Station is located at 1705 South State in Decatur, Texas.

We currently staff 2 Chiefs, one Administration Assistant, 9 career and 36 volunteer members. Our Operational career members work a 24-hour on 48 hour off schedule. Our Operational volunteer members work a 12-hour shift every 9 days; we call this a "9-day". This schedule equates to 3 or 4 mandatory shifts per month. The 12-hour shift can be during the day from 7am to 7pm or at night from 7pm to 7am. Members will have the opportunity to earn days off from their shift work through special event and department function participation.

All training goals, by new members, will need to be met at a very aggressive pace during your first year. As a recruit with the Decatur Fire Department you will be expected to obtain, as a minimum, an SFFMA Firefighter 2 certification within your first six months. Don't worry, if you are already certified then you are already ahead!

The Decatur Fire Department takes applications year around for volunteer membership. Please stop by the station at 1705 South State Street in Decatur to retrieve an application (in some situations an application may accompany this letter). We will process those applications once a year in order to generate a candidate class, in February.

A standard background investigation will be conducted and you will be invited to attend our physical ability testing. As long as you pass the physical ability test you will be given a panel interview date and time. From that point you could be invited to attend our Candidate Training Class. The entire introductory process will take three months minimum. Should you make it all the way through the process you could be offered a Probationary Firefighter position within our department starting **May 1st 2016**.

We at Decatur Fire Department look forward to having you in our candidate process and are pleased to have been considered during your Fire Department selection process. We want you to succeed with your dreams of becoming a firefighter, and hope that we can help along the way. Please let us know if you have any more questions or if you would like to come in for a sit down meeting and station tour.

Professionally,

A handwritten signature in black ink, appearing to read "Nathan Mara".
